SIMPLE WAY TO FIND OUT

Fussy Passenger Told Just How He Could Ascertain if Car Was Moving, or Not.

In the midst of Nebraska snowdrifts a train got stalled so that the wheels would not move forward or back. There it stood for six hours while the conductor walked four miles to the nearest station and got a section crew to dig the train out.

Aboard that train fidgeted a hungry farmer with Populist brown whiskers. He collected the individual opinions of everybody in the coach as to when the train was going to move on; and still he fidgeted.

At last the conductor returned. "See here," signalled the farmer as the conductor hurried through the aisle. "Are we going?"

"Are we going?" blustered the conductor. "You raise the window and put your head out. If the zephyrs fan your whiskers we're going; if not, the wheels of this train are probably frozen to the track."

The car roared with laughter as the disgruntled whiskers retreated into the adjoining coach.

Fourth-Class Postmaster Examination.

The United States Civil Service Commission has announced an examination to be held at Ste. Genevieve, Mo., on September 13, 1919, as a result of which it is expected to make certification to fill a contemplated vacancy in the position of fourth-class postmaster at Weingarten, Mo., and other vacancies as they may occur at that office, unless it shall be decided in the interest of the service to fill any vacancy by reinstatement. The compensation of the postmaster at this office was \$231.00 for the last fiscal year.

Applicants must have reached their twenty-first birthday on the date of the examination, with the exception that in a State where women are declared by statute to be of full age for all purposes at eighteen years, women eighteen years of age on the date of the examination will be admitted.

Applicants must reside within the territory supplied by the post-office for which the examination is announced.

The examination is open to all citizens of the United States who can comply with the requirements.

Application blanks, Form 1753, and full information concerning the requirements of the examination can be secured from the postmaster at the place of vacancy or from the United States Civil Service Commission, Washington, D. C.

Applications should be properly executed and filled with the Commission at Washington, D. C., at the earliest practicable date.

Pony Twenty Years in Mine.

A mine pit pony called Fulmen (after the winner of the Lincolnshire handicap in 1886) has just completed 20 years' continuous service in a South Kirby (Eng.) colliery.

Fulmen was taken down the South Kirby colliery in April, 1899, and only once has he since been brought to the surface.

This remarkable pony has never had a day's illness, and never met with an accident. The animal's eyesight remains good.

Literary Rocks.

Theodore Dreiser is a novelist of repute, but his novels are apt to be very long—700 or 800 pages in fact. "There are sermons in stones," Mr. Dreiser said at a Greenwell village tea, whereupon a young lady sculptor interrupted him:

"Yes, that is very true," she said, "but you ought to remember that the precious stones are all small, and that they require a lot of cutting."

Just What She Needed.

"I used a bottle of Chamberlain's Tablets some time ago and they proved to be just what I needed," writes Mrs. Volta Bankson, Chillicothe, Mo. "They not only relieved me of indigestion but toned up my liver and rid me of backache and dizziness that I had been subject to for some time. They did me a world of good and I will always speak a good word for them."

TAKE IT IN TIME

Just as Scores of Ste. Genevieve People Have.

Waiting doesn't pay. If you neglect kidney backache, Urinary troubles often follow. Doan's Kidney Pills are for kidney backache, and for other kidney ills. Ste. Genevieve citizens endorse them.

Mrs. Joseph King, Market St., W., Ste. Genevieve, says: "I had kidney complaint from childhood. I noticed that when I caught cold it disordered my kidneys and brought on attacks of backache. Often I could hardly stoop to tie my shoes. My kidney acted irregularly, too, and annoyed me a great deal. I read such good reports about Doan's Kidney Pills that I finally got some from Hinch & Douglas' Drug Store. I soon got relief and continued using them until cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. King had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

J. B. Hazelbud, of this city, agent for the A B C Brewery, of St. Louis, received orders from the Brewery to pour out the beer on hand and return the empties to them as soon as possible. Mr. Hazelbud acted on the instructions received and Saturday began to empty the half-barrels and quarter-barrels. The beer was poured into a gulley. Some of it, we are told was still good and fresh, while some of it had soured. Mr. Hazelbud informed us that about 60 barrels of it were emptied here amounting to about \$600 or \$700. As a matter of course it is the Brewery's loss. The beer had not been on ice for nearly 2 months.—Perryville Sun.

The Best Advertisement.

The best advertisement any merchant can have is a satisfied customer. No greater recommendation can be given an article than the following by E. B. Milburn, Prop., Guion Drug Store, Guion, Ark. "We have sold Chamberlain's Cough Remedy for years and have always found that it gives perfect satisfaction."

Rev. Richard Lehmann, former pastor of a German church near Jackson was arrested and placed in the Jackson jail last Saturday afternoon, when he stood on the platform after the speech of former Senator R. B. Oliver and said the German language is the best language in the world. Oliver replied, "I am ready to help pay your way back to Germany." An argument followed, during which Lehmann shouted, "I wish all the Americans soldiers were in hell," and the crowd rushed up to the platform. Had it not been for his age, he would have been mobbed. Sheriff N. J. Hutson seized him and took him off to jail, while a crowd of 500 soldiers followed yelling and hooting. It was soldiers' day at Jackson homecoming celebration. Fully 5,000 witnessed the incident. Lehmann is a retired German minister. The crowd would have taken matters into its own hands had not officers taken him away.—St. Louis Republic.

No Bride, No Wedding.

The only serious fault of the bride-to-be was that she was never known to be on time. Every place she went she was late, and it had gotten to be such an old story that even the minister, knowing of her failing, attempted to remind her of it at the wedding rehearsal.

"You know," he said, "the wedding ceremony is at 8 o'clock sharp; you must be here on time."

She looked up at the clergymen with a twinkle in her eye.

"Well, there is one thing—this wedding cannot go on very well without me, can it?"

And the clergyman had to admit that she had the best of him.

Despondency.

Sufferers from indigestion are apt to become discouraged and feel that complete recovery is not to be hoped for. No one could make a greater mistake. Hundreds have been permanently cured by taking Chamberlain's Tablets and can now eat anything that they crave. These tablets strengthen the stomach and enable it to perform its functions naturally. If you have not tried them do so at once.

Find for Autograph Fiends.

The visitors' book at the Hotel Majestic or the Hotel Astoria, at Paris, is an interesting record of the signatures of well-known men. Nearly everyone who is anyone has written his name in one or the other and besides being a proof positive of the universal illegibility of the writing of celebrities the books would be worth their weight in gold to autograph fiends. It has been suggested that when the conference is over and the various British, French, United States, Italian, Siamese, Japanese, Russian, Czechoslovak, Polish, and other celebrities scatter to their own places, the books might be put to auction, a page at a time, to help to defray the expenses.
